## MEDIA KIT

2022

Based out of the DFW, Caramel Productions is a movie production LLC that supports independent film makers and aspires to become a company that can help invest and uplift artists and directors on the come up.....idk i'll reword this later.

# ABOUT CARAMEL

Based out of the DFW, Caramel Productions has one objective: To make and display art or stories told by people of color and/or in the LGBTQ+ Community. It is time for our stories to be represented in the media and we are doing so by pairing up with some of the most talented and well versed people in the industry and pushing the boundaries in today's mediums.

## ABOUT THE BLOG

---

A media kit can be as simple as a page on a company's website or as complex as a package of information and product samples sent to selected members of the media that the company hopes will promote them.
